You can opt in to receive tracking information via email or text; simply advise an agent when placing your order.

How can I receive another copy of this catalog?

You will receive a digital version of the catalog with every tracking email/text. You can also print a copy from the plan web page.

Additional notes:

- There is no limit on the number of items you may order. There is, however, a quantity limit of nine per any single item, per quarter. There are some select products that have special limits and these are marked by a “★” or a “■”.
- In order to purchase certain vitamin and mineral supplements, your physician must recommend it to you for a specific diagnosed condition. These are called “dual-purpose items” which are marked with a “◆”. Please speak with your physician before ordering these type of items.
- Some items may be covered under Part B or Part D and are marked with a “^”. When an item is covered by Part B or Part D due to your certain circumstances, you would not use your OTC benefit to obtain the item. For example, gauze may be covered under Part B when it is being used as prescribed to perform surgical wound dressing changes.
- Products in this catalog may be ordered only for the enrolled member.

If you have not received your items within 14 days after ordering, please call: 1-866-528-4679 (TTY: 711), Monday to Friday, 9 AM to 8 PM PST.
