

2022 Optional Supplemental Benefits

wellcareTM

If you are enrolled in Wellcare Premium Ultra (HMO), you have the choice to customize and enhance your coverage with an Optional Supplemental Benefits Package. For an additional monthly premium you can take advantage of these great benefits.

When Can I Enroll?

New members can enroll until the end of the first month of initial coverage. Benefits will become effective the first of the following month. To be eligible for the Optional Supplemental Benefits Package, you must remain a member of Wellcare Premium Ultra (HMO) Medicare Advantage plan. If you disenroll from your plan, you will be automatically disenrolled from the Optional Supplemental Benefits Package.

You may disenroll at any time from this option by providing written notice to Wellcare Premium Ultra (HMO), but once disenrolled, reenrollment during the same calendar year will be limited. The available election periods for the optional benefits are from October 15, 2021 through December 31, 2021, for a January 1, 2022 effective date; January 1, 2022 through January 31, 2022, for a February 1, 2022 effective date.

See the Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. Prior Authorization (approval in advance) may be required to utilize some benefits in the Optional Supplemental Benefits Package.
