

Prescription Drug Extra Help Checklist

wellcareTM

Did you get Extra Help - Low Income Subsidy Assistance - paying for your prescription drug costs in 2022? To get assistance again this year, you must apply for recertification. Or maybe you already get Extra Help in 2023, but your co-pays and premiums are higher than expected. In either case, you can submit copies of your Best Available Evidence (BAE) to us.

Best Available Evidence includes documents that show you qualify for Extra Help. Once we validate the Best Available Evidence with Medicaid/Medicare, we will update your Low Income Subsidy Assistance status as quickly as possible.

Documents that show you qualify are listed below. Please send a copy of one or more documents from the checklist below, and mark the documents you send. (Include this checklist as well.)
