# Over-the-Counter (OTC) Catalog

## Medicare Advantage Plan

**2023**

**Please keep this valuable booklet nearby. You'll need it to look up the OTC items you want to purchase. It also contains step-by-step instructions on how to order online, by phone or use your OTC benefits in store.**

# Three convenient ways to place an order.

Choose the way that works best for you:

## #1 In store:

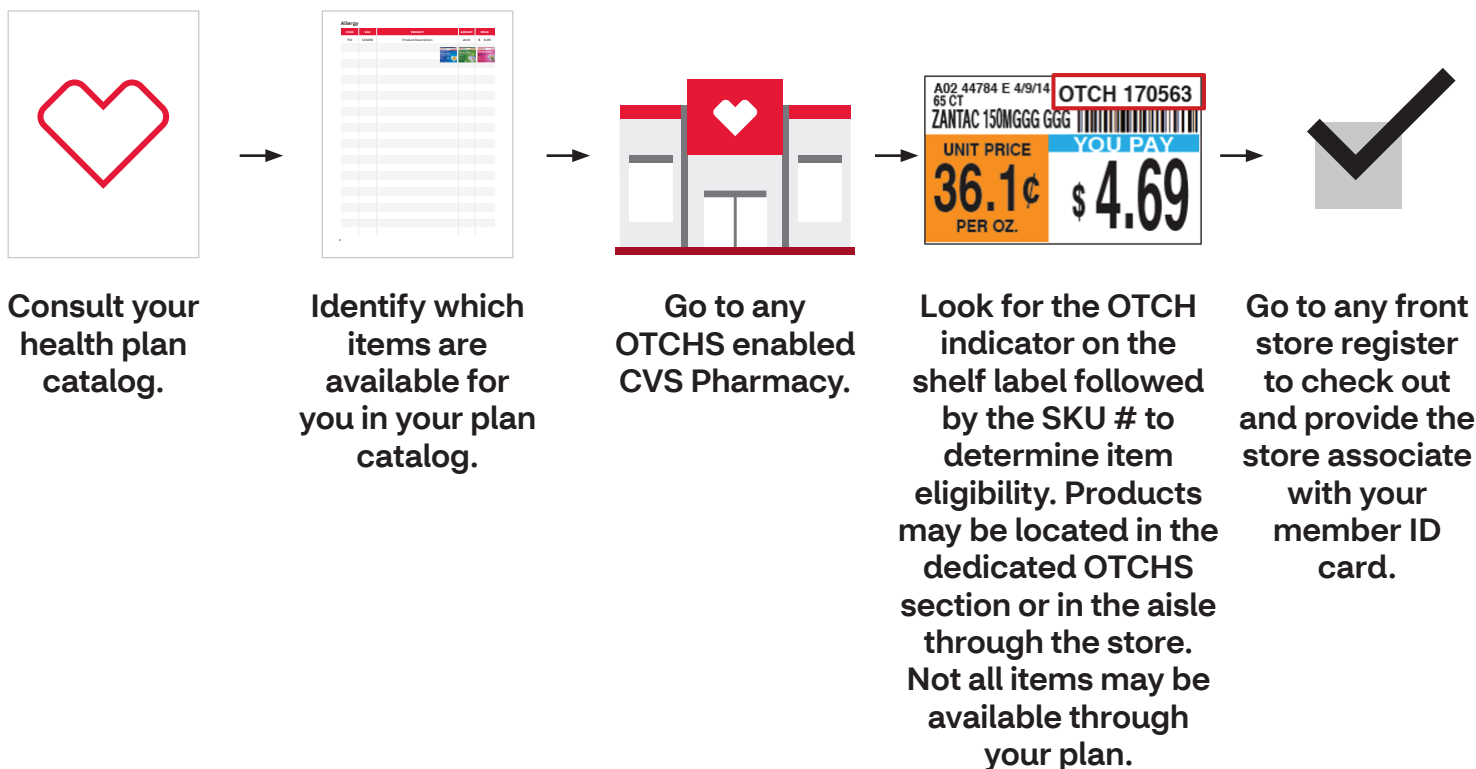

You can pick up your OTC items at any OTCHS enabled store. To find your nearest location, go to <https://www.cvs.com/otchs/healthnet>.

### How to use your OTC Health Solutions benefits in store:

1. Refer to your health plan catalog.
2. Identify approved items in the catalog. Only the items listed in your catalog are available through your plan.
3. Go to any OTCHS enabled CVS Pharmacy®, CVS Pharmacy y mas®, or Navarro® store.

**IMPORTANT:** Not all CVS stores participate in this benefit. To find your nearest location, go to <https://www.cvs.com/otchs/healthnet/storelocator> or contact OTCHS at 1-866-528-4679 (TTY 711).

4. Look for the OTC indicator on the top right of the shelf label and review the SKU number for item eligibility. Products may be located in the dedicated OTCHS section or in aisle throughout the store. Not all items may be available through your plan, please refer to this catalog for the approved list of items.
5. You can redeem your benefit at any register.

**Not all items are available in all stores. If your item is not available, please contact OTCHS or visit your plan's web page to process your order.**

**Please note that the regular retail price in the store may vary. For prices that apply when you use your OTC benefits, please consult this catalog. Catalog prices cannot be combined with promotional offers or ExtraBucks® Rewards. Not all products will be carried in all CVS® OTCHS enabled stores.**

## To Redeem in Store.

Inform the cashier that you have the OTCHS benefit and present your member ID card before the cashier begins to scan products.

Your insurance card is used to verify eligibility, not as a form payment.

You can also cut out and present the QR Code to the store colleague at the register to assist with the transaction.

### Colleague Instructions

1. Scan QR Code.
2. You will be automatically redirected to the OTCHS App on the POS terminal.
3. Ask the member for their plan ID Card.
4. Select the members plan.
5. Enter the member ID or the member's first and last name.
6. Scan eligible products and follow instructions on the POS system to complete the transaction.
7. If you're having trouble locating the member or processing the transaction, please call the dedicated OTCHS Store Support line for assistance.

### How to identify eligible items in store

**Look for "OTCH" followed by the 6-digit SKU # and match it to your plan catalog**

## #2 Online:

The fastest and easiest way to order 24/7 is to visit:

<https://www.cvs.com/otchs/healthnet>.

Online orders must be submitted by 11:59 PM ET to be processed the same day.

### How to place an order through our website:

#### 1. Create an account

- If it is your first time placing an order online, you will need to create an account by visiting <https://www.cvs.com/otchs/healthnet>.
  - Then, choose the “Create Account” button and follow the instructions.
  - You will need your **member ID, date of birth, ZIP code** and **current email address**. Each member registering needs to have a separate email address. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to register one account.
  - You will also need to create a password.
- If you need help locating your member ID, select “Get help locating your member ID.”
- Remember to save your password for future orders. You will need your member ID or email address along with your password to sign in again.
- If you forget your password, choose the “Forgot Password?” button to create a new one.

#### 2. Place an order

- Once you sign in, your benefit amount and balance will be displayed at the top of the page.
- Browse through the available products and add to your basket. Your order total will automatically deduct from your balance at the top of the page.
- Once you are ready to place your order, choose “Checkout.”
- You will receive email notifications with the latest status updates as we’re processing your order.
- Please review the order frequency limits located on the FAQs to avoid missing benefit funds.

**Reminder:** Orders for each benefit period must be placed by 11:59 PM ET of the last day of the period. Orders can only be cancelled within 30 minutes after being processed.

**Return Policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you haven’t received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.

### #3 By phone:

Orders can be placed by calling 1-866-528-4679. You can speak to a live agent Monday to Friday, from 9 AM to 8 PM local time. Please have your ID and order ready when placing your order by phone. You can always use our automated IVR system 24/7 to:

- Place an order
- Track an order
- Cancel an order
- Hear benefit information
- Order a catalog

### How to place an order by phone (IVR system):

1. Call OTC Health Solutions (OTCHS) using the phone number on file.

**Note:** The phone number on file is the number provided to OTCHS by your health provider. If you wish to use a different number to order through the IVR system, you can provide the alternative number to an OTCHS agent so it can be added to your account.

2. Once the system locates your account you will be asked to input your date of birth in MMDD format.

3. The account authentication process will start and the system will verify the name and address on the account.

4. Please enter the numerical portion of the item code.

- **Example:** If you would like to order item “B33 unscented wipes,” you will select “33” and wait for the prompt to confirm the item. Once the system locates the item, it will read back the product name and quantity and ask if the selection is correct. Please allow the system to complete the statement before making your selection.

- If yes, the system will add the item to your cart.

- If no, the system will provide an option to edit the product or the quantity.

5. Once the order is completed, you will have the choice to review the items in the cart or submit the order.

- If you submit the order without review, the system will provide a confirmation number and the call will be disconnected.

- If you want to review your order, the system will allow you to edit the items, start over, submit the order or speak with a representative.

**Note:** Should you choose to speak to a representative, your items will not be saved and you will have to restart your order.

**Return Policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.
