

Committed to Quality

Wellcare By Health Net wants you to get the best health care you need to stay healthy. Each year, we set goals to improve how many members receive important preventive screenings and chronic disease care. We also want you to have easy access to care – when you need it, the way you want it. Check below to see how well we are meeting our goals:

Goals met*	Goals not met
<ul style="list-style-type: none"> • Getting appointments and care quickly • Colorectal cancer screening • Readmission Rate • Taking diabetes medications as ordered • Controlling High Blood Pressure 	<ul style="list-style-type: none"> • Getting a specialist appointment with ease • Completion of Health Risk Assessment (HRA) • Care Coordination • Getting a flu shot

*Goals met for 2 or more SNP plans

Please continue to schedule tests, get a flu vaccine, take your medications, eat healthy and get plenty of activity! We want you to feel good and be able to do all the things you enjoy.

Thank you for being a Wellcare By Health Net member!

Best of health,
Wellcare By Health Net
